

Certificate

This is to certify that **Joana Amaro** born on **15 July 2000** actively participated from **20 January 2025** to **01 February 2025** (2 weeks) in our volunteer and cultural program in Cape Verde.

The Green Lion organizes a wide variety of volunteer programs and internships that help promote intercultural learning, education, community development and environmental conservation. Specifically, she participated in the following program:

- **Childcare Placement**

During this duration, she interacted with the community and local organizations we support and worked closely with local staff as well as with participants from several other nations towards the success of the project. She contributed significantly in terms of knowledge, experience and commitment during the execution of the project. We appreciate her support and time. It was a pleasure having her participate in our program.

Sincerely,

Hemantha Abeyasinghe
